

Activity Information

Trust and Team Building Activities

A progressive series of trust based activities and problem solving initiatives utilizing the local area.

Steep Creeking

Take the opportunity to lead your peers down Okiwi Stream, abseiling down cliffs whilst learning how to manage a group safely.

Sea Kayaking

An introduction to sea-kayaking. Learn how to gear up for a kayaking trip, how to be safe in and around kayaks and the ocean. Sea kayaks will most likely be the base for overnight expeditions.

Coasteering

Sea Kayak out to Green Island where you will spend the day navigating around the island. This trip requires people to jump and swim – lots!

Rock Climbing, Abseiling, Via-Ferrata

Develop trust in yourself and team mates as you develop your rock climbing and abseiling skills. Follow our *via-ferrata* by clipping yourself onto steel cables while you climb and traverse the top of Three Kings.

Bush Skill Adventures

Explore beautiful natural environments and learn to navigate and manage your own adventure.

Expeditions

Teamwork ensures efficiency; a sense of adventure provides the rewards. Explore the rugged coastline of Great Barrier Island, and stop to fish along the way. Head towards your overnight campsite.

Snorkeling

A wide range of sites are used, normally near beaches where kayaks can be landed. Water is normally overhead depth, but steep drop-offs and tidal currents are avoided for all but experienced snorkelers.

Sailing

Learn to sail a self-bailing two person dinghy. Usually sailed with a partner for beginners accompanied by an outboard powered support vessel.
